Dearest Tony,

Belatedly I wish to tell you how sorry I was to hear of your losing your father. I do know that he was very ill for quite awhile, but that only serves to know that he is free of pain & misery, not that he is gone.

Having lost both of my parents young, I never had the experience of seeing them age. Who's to know which is better, probably something in between.

I miss seeing you & hope we can get together after the New Year, as I am leaving for CA on the 12th for auditions, planning meetings & then the holidays.

Be well, and please know that I send you loads of love & deepest condolences,  
Jackie
