Dear Doug -

I wonder if you could let me know whether you have found any trace of my two CDs involving the Drunken Sailor - namely, Albert Shaw's Sea Chanties and the Naval Academy's Songs of the Sea.

If they're in NYC I can arrange to have them picked up. If they've disappeared, they're gone, but I'd like to know before seeking out replacements.

Hope your New Year is going well.  
With all good regards -

Yours,

Bob McAdoo
